

Planning Your Wedding at Good Shepherd

Congratulations! As you come to the altar of the church to profess your promises to each other, you are asking God to meet you. At your wedding service, God offers you strength, blessing, and a beautiful example of love. As you seek to come together in the best of human relationships, we will work with you to create a deeply meaningful and personal event within the beauty of worship.

The Setting for Your Wedding

We can accommodate a large or small wedding in the sanctuary of the church. Approximately 350 guests are easily seated. Our sanctuary also holds an organ and a grand piano to serve a variety of musical preferences.

Reception in the Commons & Usage of Kitchen

If you are interested in using our kitchen and Commons area for a reception, either for the rehearsal dinner or wedding day, please contact the church office for information.

The Wedding Service

A wedding is a service of the church, which is highly personal and meaningful to you. As we help you plan your wedding service, there is every attempt to put a deep personalization into the context and format of some important traditional components. Each service, therefore, is individually prepared and presented, in order that characteristics of your relationship are accented.

We work with great flexibility and creativity in our preparations. Having large numbers at your wedding is not necessary for a beautiful service. We have developed a very meaningful and intimate style for small weddings as well (100 guests or less).

Holy Communion is appropriate to weddings in the Lutheran Church, but it is not always a part of the service. When communion is an element of your wedding, we welcome all persons to commune. We believe that through the bread and wine, Jesus Christ comes to us with His own strength and life and newness. The Communion meal is a communal meal. It is always offered to the entire congregation, and it is prefaced by an appropriate explanation and invitation to your guests.

Music

Since the wedding is a worship service, care should be given to ensure all music is in keeping with the tone of the service and consistent with the message of the wedding. Music, both classical and contemporary are welcomed. If you choose to use the church musician, they will assist you in the endless choices of lovely wedding music.

The music in the wedding most often consists of the following:

- Prelude as the guests arrive
- Processional as the wedding party enters the church
- Recessional as the wedding party leaves the church
- Music as guests leave the church

Appropriate vocal and instrumental solos and or a congregational hymn, may also be used as a transitional element.

SUGGESTED STEPS LEADING TO THE CEREMONY

STEP 1: Initial Inquiry & Reservation

When *inquiring* about the possibility of having a wedding at Good Shepherd, please speak to the Church Administrator about a possible date. She will check to see if the date is open on both the church calendar and the pastor's calendar.

STEP 2: Submit Contract & Deposit

Your date with the church and/or pastor is *secure* after submitting to the church office the Wedding Contract, non-refundable \$100 deposit and the Wedding Request Information Form.

STEP 3: Prepare & Enrich Marriage Tool

We are very pleased to say that we use the counseling instrument Prepare & Enrich and ask all couples take it. Prepare & Enrich is a marriage inventory the couple will take to learn more about skills used in marriage such as communication and conflict resolution. After we receive your wedding contract, we send you a link to the on-line site. The inventory costs \$35.00 and is paid on-line directly to Prepare & Enrich.

After you complete Prepare & Enrich, you set up an appointment with the pastor who will interpret the test results with you. Reviewing Prepare/Enrich is typically a 2.5-3.0 hour session. Further counseling sessions may be scheduled if desired.

STEP 4: Planning your Wedding Ceremony

Set-up a 1.5-2.0 hour meeting to specifically plan your ceremony.

At this planning meeting:

- The pastor and couple will get better acquainted.
- We will discuss the many choices around vows, scripture, family involvement, etc.
- We will design your worship service. There are no "cookie cutter" type weddings. Each service will glorify God and reflect the uniqueness of the couple. This meeting will help you prepare your order of service.
- Suggestions of Vows, Scripture passages, Order of Service, Unity Symbols etc. will be provided.
- Decide on Rehearsal Day & Time.
- Discuss church rooms needed on the day of the wedding and arrival times.

STEP 5: Meet with Musician

If using our church musician, the bride and groom will directly contact our musician to schedule a meeting time.

At this meeting:

- You will have the opportunity to hear music that you are considering for your wedding played on the piano or organ. The musician will make suggestions for music selections, based on the tone you want to set for that day.
- Set all rehearsal dates and times, which include those that take place with soloists and other special music leaders.

STEP 6: One month before your wedding

- Email Pastor final order of service *before* printing your program.
- Give the pastor the specific time when you will decorate, wedding party will arrive, etc.

STEP 7: One Week Before Wedding

- Turn in your marriage license along with full names of two witnesses. Typically, the witnesses are the best man and best lady. A wedding cannot legally be performed by a pastor without a marriage license.
- Turn in your final wedding fees to church, pastor and musician. Fees are written directly to the party it is intended.

STEP 8: Wedding Rehearsal

Reserve your rehearsal date at your first meeting with the pastor.

There is a wedding party *gathering time* allowed of 20 minutes prior to the time that you will actually start walking through the rehearsal, which will then last about 40 minutes longer.

The pastor attends the rehearsal dinner or the wedding reception only if specifically invited. The rehearsal dinner is preferred, as it allows the pastor to become acquainted with the immediate family and friends.

Ushers and hosts/hostesses are among the most important people chosen by you. They are the working members of your wedding party, and it is their responsibility to convey your hospitality to the most important people in your lives on this memorable day in your life. For this reason, it is suggested that they attend your rehearsal, as well as your attendants.

STEP 9: THE WEDDING DAY!

All of your planning, hard work, and preparation led you to this moment--the moment that marks the beginning of a wonderful life together. When you arrive at the church, we want you to relax and enjoy the wedding you have planned. We will do our best to ensure that your plans unfold smoothly. We also promise you that your wedding ceremony will begin on time in order for the day to flow as planned. At the end of the service please have someone box up your wedding favors and unity symbol for you and throw away any garbage. Our custodian will vacuum and take out garbage.

FREQUENTLY ASKED QUESTIONS

- The seating capacity in the sanctuary of Good Shepherd is 350. The length of the sanctuary's center aisle is 50 feet. There are 12 rows of pews in the center aisle.
- The seating capacity for receptions in our reception area is 200. We have round tables seating 8 comfortably. We do not provide table linens. Due to health codes, food must be catered and can be warmed and served out of our kitchen.
- We ask you and your guests to refrain from using alcohol before the wedding ceremony and while on site at GSLC.
- You may choose to use a unity symbol such as candles or sand. Good Shepherd provides stands but not the unity symbol. Unity symbols are not placed on the altar.
- You choose an outside vendor to create your wedding programs.
- We ask you to refrain from using fresh flower petals thrown on the carpet and taping on the wooden pews or walls. We typically do not put items on the altar. We do have a small 'altar-like' table that can be placed in front of the altar for such items. Please discuss your ideas with the Pastor.
- We can provide rooms for the wedding party to get ready. Let the pastor or church office know the time you will arrive.
- A Custodial Host will be on site to assist you the day of the wedding.
- You may consider choosing someone other than the pastor to read the Bible readings.
- Special Music (solos, instrumental, hymns) can be added to the service, but only the Processional and Recessional are the most essential.
- A Sound Technician from the church is present to assist with musician microphones or the usage of pre-recorded music.
